*Your social security number, if provided, is not used as an identifier; it is needed and used for federal financial aid and payroll purposes or other purposes permitted by law. If you do not supply your SSN, the Graduate School will assign an identification (ID) number to you. This number becomes the student number for applicants who are admitted and who subsequently enroll.

**Colleges and universities are asked by many groups and agencies, including Federal, state and local governments, to describe the racial or ethnic backgrounds of their students. In order to help us respond to these requests, please answer both questions

***See application booklet for instructions on calculating grade point average (GPA).
