What to Do When Power Abuse Occurs in Academia (or elsewhere)

Featuring
Wendy Ingram, PhD

This 60-minute seminar and facilitated discussion include definitions and concrete examples of power abuse, harassment, and discrimination as well as what others have successfully been able to do about it. Leave with insights and specific actions on how to drive change.

Become a member and/or join our mailing list for events!

- UMB has partnered with AWIS to sponsor all members from UMB - your membership is free!
- Be sure to list "Baltimore" as your local chapter!
