Happy Thanksgiving from the University of Maryland Online Master of Science and Graduate Certificate Program!

I am thankful for so many things - family, friends, colleagues, and the AMAZING students and faculty in this program! You jumped off the ledge with me, literally making a leap of faith, and we have created something truly magnificent and impactful!

One more day to serve.
One more hour to love.
One more minute to praise.
For this day I am grateful.
If I awaken to the morning sun,
I am grateful.

Mary Lou Kownacki, OSB
