

# Online Master of Science and Graduate Certificates in Palliative Care

Why should you consider joining us in the Master of Science and Graduate Certificate programs in Palliative Care?

We've got your why ...

“After 13 years of home hospice case management, I was eager to expand my knowledge and bring my practice to the next level. The University of Maryland Master of Science in Palliative Care has prepared me to give the best care possible to the patients and families I work with. Learning from expert instructors alongside students from multiple disciplines has further inspired me to grow as a nurse and contribute to the field of palliative care as I prepare to move into a role as an educator. This is a fabulous program for obtaining the knowledge and skills needed to be an expert provider in this important and growing field, whether you are brand new or experienced and especially if you wish to obtain a credential in palliative care and/or move into a leadership role.”

Stephanie Lynn, RN, BSN, CHPN  
Admissions/Intake Nurse  
JSSA Hospice

**Apply Today**

Don't delay - applications for the Fall 2019 Semester are due  
**July 15, 2019**

**Apply Today**

Interested in learning more? Check out our Information Session  
Wed, Jun. 5 at noon (ET) and 9 p.m. (ET)

Participants in the Information Session will get a fairly magical purple gel pen!
