

PARKING AND TRANSPORTATION SERVICES

Lexington Garage – General Information

Please read all of the following information before proceeding. Failure to follow these procedures will delay the parking registration process and could result in a loss of parking privileges.

- Parking for students \$5/day; regular visitor fees (\$14) are charged without a permit. (There is no semester/annual fee.)
- Permits must be displayed at all times.
- On a yearly basis, you will renew your permit online.
- Permits must be returned when you graduate or withdraw.

By Sept. 22, commuting students are required to link their UMB One Card to the University parking system to access the Lexington Garage (directions below).

- The daily student rate of \$5 will be charged Aug. 7 until Sept. 22.
- UMB One Cards *may* also be linked to a credit or debit card for ease of payment.
- **Until a UMB One Card is linked to the parking system, a parker will not be able to swipe into the garage using his/her One Card.** Students must pull a ticket upon entering the garage and pay the student rate (\$5/day) at the pay station near the elevator or at the garage's cashier station upon exiting.

Beginning Sept. 23, visitor rates will apply.
