

DEMISTIFYING THE MARYLAND PRECEPTOR TAX CREDIT

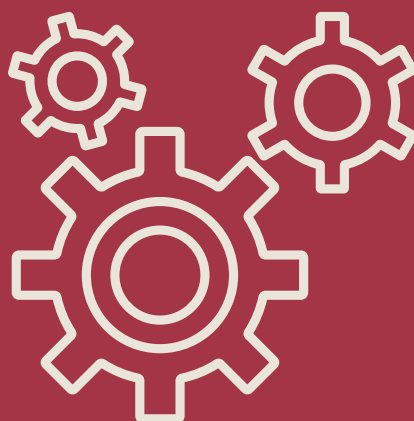

The Program

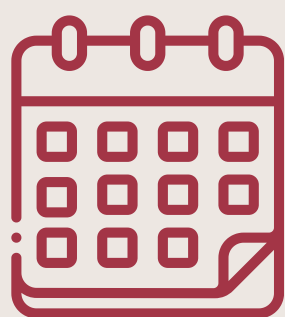

The Preceptor Tax Credit Program aims to improve the number of graduating health care professionals and support recruitment and retention of the health professional workforce in Maryland

How It Works

The Program provides a credit against the State income tax for individuals who served as an **uncompensated preceptor** in health care workforce shortage areas

Application Period

The annual Preceptor Tax Credit Program application is open from **December 1 through January 5** for the preceding tax year. Complete applications are processed within 45 days of program receipt, on a first come, first served basis

Who Is Eligible?

Qualification criteria include:

- Type of professional/preceptor
- Student type
- Enrollment of student in a recognized preceptorship program
- Rotation hours
- Preceptor practice site location
